

I will do what's right!

Gramma Kay song

When you hear temptation's sneaky sound;
And the crowd is laughing all around,
Throw your shoulders back and stand your ground!
You can do what's right!
Go ahead; laugh at me! I won't let it bother me!
Even though I stand alone; I will do what's right!
Ha Ha Ha! Laugh at me; I won't let it bother me!
Even though I stand alone; I will do what's right!
